estimated 60TB total size of Movies, Series, Software.

I don't know if this was already posted here [banana.nospacelikeempty.space](https://www.reddit.com/r/opendirectories/comments/1000000/banana_nospacelikeempty_space/)

[EBooks](#) E-books (more in PD). Looks like grab bag of angst, chick lit, YA, new feminist by the titles, plus a Captain Underpants directory. Sorry if it's junk.
