Future Working Group

TF-CSIRT
Steering Committee

- FWG has fulfilled its purpose!
 - > recommendations to the TF-CSIRT Steering Committee as to **what** options should be explored further
- SC had agreed about further steps:
 - > SC takes more active role in “**how** these requirements will be delivered. “ i.e., in coordination and execution including partners (GEANT/OCF /RIPE NCC).
 - > SC carry out community decision with its given mandate.
 - > SC will contact individuals, experts from and outside the community if needed.
 - > SC will organize frequent follow up webinars to inform community about the progress.
 - > SC will also keep community informed about this important activity, by email-list and Rocket Chat channel
- **2nd stage fulfillment (January 2022) -> detailed proposal->voting**

Next Meeting

TF-CSIRT
Steering Committee

- TF-CSIRT meeting in January
 - Difficult to say, but we keep an eye on the pandemic situation
